## **NEW CHILTERN ARCHERY PRO-SHOP IN HAMPSHIRE**

Dear Sirs

We thought that you and your fellow archers at Overton Black Arrows would be interested to know that we are opening a new archery shop located just a few miles from Overton, at North Waltham, near Basingstoke.

The shop will officially open on Saturday 16<sup>th</sup> December, although we will be happy to take any enquiries from now onwards

Please call in and have a look. You will find that, like our other pro-shops, the Hampshire shop will stock a comprehensive range of: **Bows** - from fibreglass leisure bows through to top of the range recurve, compound and longbows. **Arrows** - from a single training arrow to a full set of the very best and **Accessories** - such as sights, quivers, cases, stabilisers and many other products, suitable for the needs of all archers from the complete novice to the Olympic competitor.

To aid you in making your choice, we will also have a small indoor range, where you can try products before you buy.

Whether you come to buy, or just to look, you are assured of a warm welcome and a cup of tea or coffee is always available.

The new Pro-shop will operate the **Chiltern Archery Registered Customer Scheme**, which, in addition to already excellent prices, provides registering archers with a loyalty card entitling them to:

- 2.5% discount on Pro-shop and telephone orders
- Advance notification of special offers and discounts
- Invitations to special events
